CHANGE A CHILD'S STORY

You can
be the one
to change
a child's
story

July is National Make A Difference to Children Month! At CASA, the phrase "Change A Child's Story" is widely circulated, but what exactly does changing a child's life entail?

Changing a child's story can be as simple as being the positive adult in their life. CASA volunteers are caring, consistent adults in the chaos that can be a child's life after they enter foster care. Are you ready to help change a child's story?
